Jewish Youth Connection

If you think you know what Hebrew school is... Think again!

The Jewish Youth Connection at KJ (JYC) is a total reinvention of the Hebrew school experience. Each Sunday morning, excited students participate in small classes focused on Bible studies, Jewish history, customs, and holidays. Students from second through sixth grade are paired with a big brother/big sister to help make Hebrew reading easy and fun. There is a special track for students preparing for Bar or Bat Mitzvah that adds knowledge and meaning to this important Jewish milestone.

No synagogue affiliation or Jewish background is required. Our focus is to help foster a quality connection to Judaism for you and your family. For more information or questions, please contact Tzivia Kramer, JYC's director, at JYC@ckj.org or 212-794-1592.
